

Be the Hand of AA – We can do together what we cannot do alone

Join the Public Information Service in Paris

What Is PI?

Public Information is often referred to as “Carrying the message to the general public”.

The best example of AA is its own sober members. We are the face of the Fellowship. Thus, it is important that members carrying out PI work have solid continuous sobriety, worked the Twelve Steps, regular attendance at meetings, be conversant with the service structure and have a full working knowledge of the Twelve Traditions.

I am responsible.

When anyone, anywhere,
reaches out for help,

I want the hand of AA always to be there.

And for that I am responsible.
